"Thistle"—A Survivor

"Thistle" is the name of the HSUS rescue horse who got his great start with Pat Parelli at the Parelli Celebration in Fort Worth in September. This beautiful short video tells the story of Thistle, from his capture to his rescue and then incredible progress with Pat over three days. It's heartwarming, moving and represents hope for the future. If you enjoy it, please let the Humane Society of the United States know. If the video below won't play, [click here to view it.](#)
