Cover-All and The Horse First Farm

"This was a corn field a year ago," says Lori Wegner, looking reflectively at the horses and boarders, mingling together around The Horse First Farm. Business partners, Carlos Osario and Gretchen Arndt, are at her side. "Many of the students that come here are learning Parelli Natural Horsemanship."

"This is definitely a dream come true," says Osario. "We've worked so hard for this and we are really, really proud to have this facility."

Finding the perfect riding arena to fit into their dream started at the Parelli Center in Pagosa Springs, Colorado. "We wanted to have a much more open area to ride in and my first impression was how light the buildings were."

Careful planning lead to the installation of a 100' w x 200' I Cover-All® TITAN® riding arena. "When people see this building as they drive down the driveway, they are very impressed with this whole setting. Once they get inside — they're speechless."

The Latest on ParelliTube: Naturally SAVVY 4-H Club in York, SC

2-Star Parelli Professional Linda Algire has been busy in her local community of York, South Carolina. On January 25th, Linda met for the first time with the new Parelli SAVVY 4-H club. Linda reports:

"This is quite possibly the first 4-H club in the country dedicated to the Parelli program and led by a licensed Parelli Professional. The families are required to be Savvy Club members and use Parelli equipment. Following the principle of foundation before specialization, we will not participate in 4-H shows; we'll organize Parelli Games instead. As leader of the club, I will follow all requirements of my star rating and will log my time as a volunteer."

THANK YOU to Linda and the Naturally SAVVY 4-H club for supporting our vision! Enthusiastic and committed young Parelli students are our future, and the future of this Parelli 4-H club looks extraordinarily bright!
