What are your goals?

WANT MORE SAVVY?

Parelli Natural Horsemanship School

When Linda and Pat Parelli first established the Parelli Center in 1996, their goal was to create a special place... a place to which Parelli students from all walks of life could escape and have only one thing on their mind: horse savvy!

Every year the courses evolve to reflect the needs of the student and the constantly evolving educational program. Parelli is the most positive and progressive horsemanship program on the planet and is deeply committed to leading the industry in horse behavior and the empowerment of horse lovers.

Parelli students come to taste the essence of Parelli through the 7 Keys of Success – Attitude, Knowledge, Tools, Techniques, Time, Imagination and Support; with one goal at the end of it... you learn how to be independently strong and to progress by leaps and bounds even after you leave. This is more than just accelerating your advancement or overcoming stumbling blocks, it is a life-changing experience.

How SAVVY with horses... how SKILLED... do YOU want to be?
